Your Results:

The correct answer for each question is indicated by a ✓.

1
CORRECT

You _____ a reading selection by stating the main ideas and key supporting details in your own words.

- summarize
- A) analyze
- B) organize
- C) transition
- D)

Feedback: You summarize a reading selection by stating the main ideas and key supporting details in your own words. A summary condenses the original material, and good summaries are about 1/4 the length of the original. Include just enough details to support each main point. Use transitional words to smoothly connect everything together.

2
CORRECT

Authors often organize information into _____, define _____, and use _____ to analyze and draw conclusions.

- summaries
- A) categories
- B) transitions
- C) questions
- D)

Feedback: Authors often organize information into categories, define

categories, and use categories to analyze and draw conclusions.

3
CORRECT

Your ability to summarize will help you in college and beyond because

- summarizing information is a good way to learn it.
- A) summarizing may also help you at work.
- B) if a summary is written well, you do not have to go back and read the
- C) selection again.
- All of the above.
- D)

Feedback: If a summary is written well, you do not have to go back and read the selection again. Your ability to summarize will help you in college because summarizing information is a good way to learn it. Summarizing may also help you at work.

4
CORRECT

What is the easiest way to remember what to include in a summary?

- Remember to include everything you read.
- A) Remember to include the first and last sentence of each paragraph.
- B) Remember to include all of the footnotes.
- C) Remember to ask: Who? What? Where? When? Why? How?
- D)

Feedback: Remember to ask: Who? What? Where? When? Why? How? As you ask yourself these questions, you will be sure to include all important details.
