Required Session #2 (5 points):

Date: 6/16 Time: 9:20-11:30 Number of minutes you read: 120

What you read: Little Moon Dog

How did the session go for you both? The session went well; I taught the kids about modes of writing, most of the kids had learned it before. There were a lot of vocabulary words in this book, so I taught them new words and sent them home with flash cards.

Required Session #3 (5 points):

Date: 6/21 Time: 9:20-11:30 Number of minutes you read: 120

What you read: Wacky Wednesday

How did the session go for you both? This session was good, it was the second to last session so the kids were a little on edge, excited for the last day. They listened to our stories and learned the topic we were teaching. We had time to read a couple of books so I read 2 Dr. Seuss books. They really enjoyed that.

Required Session #4 (5 points):

Date: 6/23 Time: 9:20-11:30 Number of minutes you read: 120

What you read: Rapunzel

How did the session go for you both? This session was very nice, it was the last session we had with the kids, they were anxious to learn their last topic, but some were sad that they weren't coming back the next week. The topic we were teaching, Tone, was a little harder to teach. We put it into a 6th graders perspective and they understood it better.
